Congratulations to all Teams that participated in the Written Phase. Our 40 ELMC Judges have graded your pleadings following our double (and sometimes triple) blind grading process. Unfortunately, only the 48 best Teams can qualify to plead during the 4 ELMC Regional Finals. Teams are mentioned in simple numerical order per RF.

Take notice (first line of the Results Table) of the individual Role that you'll have to prepare for your RF. AG stands for Advocate General, CA stand for Commission's Agent. Moreover, please note that you are expected to plead as the Most Magnificent Order of the Cassowary being the Applicant, and as the Kingdom of Antares being the defendant.

DO READ the Official ELMC Rules before finalising the three oral pleadings.

Please, contact the Master of the Moot of your Regional Final ASAP in the following 72 hours. They will provide you all necessary practical information about your RF & the RF Registration document. Arrival on Thursday, Departure on Sunday :
